TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted.
2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the correction, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action. If any of above boxes 1. to 4. are checked, the correction required is only the **corrected section** of the non-compliant amendment in compliance with 37 CFR 1.121.

Extensions of time are available under 37 CFR 1.136(a) only if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action.

Failure to timely respond to this notice will result in:

Abandonment of the application if the non-compliant amendment is a non-final amendment or an amendment filed in response to a *Quayle* action; or

Non-entry of the amendment if the non-compliant amendment is a preliminary amendment or supplemental amendment.

Legal Instruments Examiner (LIE), if applicable

Telephone No.

Continuation of 4(e) Other: the insertions and deletions to claim 1 do not correspond to the last entered version of claim 1 filed on 14 February 2005. The proposed amendment filed 17 April 2006 has a lengthy underlined insertion that is identical to the last entered version of claim 1 except for the deletion of a repetition of the term in line 16. The applicants should respond with an amendment to claim 1 in which the repetition of the term "channel" is indicated as deleted by use of brackets. The applicants are encouraged to carefully study the revisions to 37 CFR 1.121 effective July 30, 2003. An amendment to claims is made relative to the last entered claim listing. If a filed amendment is considered to be non-responsive the claim listing in which the amendment is not entered or if an amendment is part of an after final response in which the amendment is not entered, future claim amendments should be filed with a claim listing that makes changes relative to the last entered claim listing. The applicants are invited to contact the examiner at 571-272-0714 if they have further questions regarding how to respond to this letter.
